

Subject: Announcement Container Calamity Surcharge Willemstad, Curacao (CCS)

Barendrecht, April 13th 2021

Dear valued customer

Via this memo we would like to inform you that due to the current COVID-19 implications at Curacao we are facing operational challenges. Due to these operational challenges, we fail in getting our empty containers out of the port which is resulting in a backlog of container in Europe.

Therefore we will implement a surcharge called "Container Calamity Surcharge" CCS for all shipments to and via Willemstad, Curacao. The surcharge will be effective as from mv Gotland, voyage number 2108A. The surcharge will only be applicable for Liner Owned Containers (LOC).

The Container Congestion Surcharge (CCS) is set as follows:

20ft containers	€ 85,00
40ft containers	€ 170,00

We regret this unfortunate situation and ask you for your support in order to continue providing the service you are used to receive.

We hope that you understand that extreme circumstances which are fully beyond our control force us to take these measures and apologize beforehand for any inconvenience caused.

Moreover, we remain at your disposal for any additional information / explanation you may require.

Met vriendelijke groet, Saludos Cordiales, Kind regards,

Nirint Shipping B.V.
