

To: All IMPORT clients of Seaboard
Subject: Special instructions, re-delivery of Open Top Container after discharge

Willemstad, 01/06/2012

Dear Seaboard relation,

We herewith inform that all empty Seaboard Open Top containers have to be returned to CPS in their original undamaged state.

This means that the tarpol must be attached in the original position, on top of the container. Without any exception, it is not allowed that the Open Top containers will be returned with missing tarpols or tarpols folded and positioned on the bottom of the container.

In case these instructions will not be followed, the Open Top container will be rigged and inspected at CPS premises. Subsequently, consignee will be held responsible for the charges involved.

We trust to have informed you well and in case of questions, please feel free to contact our liner department.

With best regards,
